Caledonian MacBrayne Ltd. reserve the right to refuse to convey passengers, cargo or vehicles by any ferry at any time. Regulations requiring the recording of passenger details apply to the following routes in both directions:

- Ullapool – Stornoway
- Uig – Tarbert
- Uig – Lochmaddy
- Oban – Lochboisdale
- Oban – Castlebay
- Lochboisdale – Castlebay
- Oban – Colonsay
- Oban – Port Askaig
- Oban – Coll or Tiree

Passengers travelling on any of the above routes must register at the port no later than thirty minutes prior to sailing time and be on board at least 10 minutes prior to sailing time. See appropriate timetable for information.

LATEST PASSENGER CHECK-IN TIMES

To enable safety procedures to be carried out, passengers must be on board (and in possession of a travel ticket) at least 5 minutes (30 minutes where passenger registration applies – see timetable) before the advertised departure time.

LATEST VEHICLE CHECK-IN TIMES

On all services, vehicle drivers must be in possession of tickets before boarding (where applicable) and are required to check in not later than the times shown above each route table, otherwise space will be reallocated. Late check-in may lead to the vehicle being refused carriage.

Roof-racks – Drivers carrying baggage etc. on roof-racks must be prepared to remove these items and roof-racks at time of shipment, if required to do so by Company personnel.

SAFETY ON BOARD

- Passengers are requested to pay attention to safety announcements and/or notices.
- Passengers are not allowed on vehicle decks of certain vessels while they are at sea – vehicle occupants must be prepared to leave their vehicles as soon as they are parked on board.
- Smoking is not permitted on vehicle decks.

YOUR GUIDE TO THE PASSENGER COUNTING REGULATIONS

Under the Merchant Shipping (Counting and Registration of Persons on Board Passenger Ships) Regulations 1999 under European Council Directive 98/41/EC and enforced by the Maritime and Coastguard Agency, it is a requirement that, in respect of ferry journeys of under twenty miles, the numbers of passengers and crew are in the hands of the Passenger Registrar (located in the Company's headquarters in Gourcock) before the vessel leaves the pier.

In order to comply with the regulations and to ensure that sailings depart on time the gangway will be removed and vehicle decks closed prior to sailing time. This will be followed by a short time lapse while the information is passed ashore and recorded.

Vehicle drivers must comply with check-in times and passengers must be available for boarding prior to the advertised sailing time, see timetables. We regret that it will not be possible to accommodate latecomers.
