Comments

The hotel guide lists the highest and lowest rates set for that time period. Since the actual rate is at the discretion of the hotel management and subject to change, the lowest rate listed in the guide is not necessarily the least expensive room. The room rate is in Swiss francs or Euros per day and includes breakfast, service charges and taxes. The rates for extra-large rooms, rooms with salons or suites are not given in the hotel guide. Children's rates apply only to children up to the age of 12, sharing a room with the accompanying adults. The maximum reduction for children 1 to 6 years old is 50% and for children up to 12 years old 30%.

All rates are subject to change!

All rates are in Swiss francs (CHF) unless otherwise indicated. At the time of printing, the Euro exchange rate was set at 1 Euro = 1.50 CHF (March 03); prices are subject to change according to fluctuations in currency exchange rates.

Engadin/St. Moritz-DIRECT is your gateway to an unforgettable holiday. They make it so very easy to book your hotel room or apartment: just dial +41 (0)81 837 33 99.
